Subject: MICROSOFT SETTLEMENT

To Whom it May Concern:

Please note that I am a voting citizen of the United States of America. I am writing this letter in response to the settlement agreement with Microsoft. I feel this settlement to be in the best interest of consumers, the country, and especially the economy. With the downturn of the economy of the United States since the 9-11 I feel it to be of utmost importance to get this mess behind us and keep the economy stable.

America is a capitalist country and we should do all we can to keep it this way.

Thank you.
